

GIVE

Each year Model Cities continues to advance its mission of providing for the underserved in our community and through the years we have seen many lives changed for the better. During these difficult economic times, your gift to the Annual Fund will help in bringing comfort, hope and guidance to these high risk families in our community and beyond through our different initiatives.

We invite you to consider our many options for giving:

- Individual gifts to our **annual fund**
- **Corporate and Foundation**
- **In-kind** donations (office supplies and office equipment)
- Upcoming **special events**

Or find us online!
